EXPLANATORY SKETCH

NOTES:

1. Corner Lots

- for a corner lot, the front yard is on the shortest lot line facing a street regardless of which street the front door of the building faces
- where both lot lines facing a street are equal, the front yard is where the front door of the building faces.

2. Front Yard

- means the yard between the front lot line and the nearest wall of the building.

3. Rear Yard

- for the purpose of this by-law, means the remainder of the lot.
