

THE CORPORATION OF THE  
T O W N    O F    P E L H A M  
BY-LAW #1440 (1991)

Being a by-law to authorize an application to the Minister of the Environment pursuant to the Environmental Assessment Act with respect to the proposed Niagara Road #12 Landfill Site.

WHEREAS the Municipalities of Grimsby, Lincoln, Pelham and West Lincoln, in 1983, initiated an Environmental Assessment process with respect to the disposal of waste in the four Municipalities;

AND WHEREAS the Environmental Assessment process has resulted in the preparation of a Document entitled "The Solid Waste Management Master Plan for the Municipalities of Grimsby, Lincoln, Pelham and West Lincoln" prepared by Proctor & Redfern Limited dated September, 1991;

AND WHEREAS the Environmental Assessment process has been described in a book entitled "The Environmental Assessment Summary Document" prepared by Proctor & Redfern Limited, dated September, 1991, and has been further summarized in a document entitled "The Environmental Assessment Executive Summary Document" prepared by Proctor & Redfern Limited dated September, 1991;

AND WHEREAS, as a part of the Environmental Assessment process there has also been prepared a Social Impact Assessment for the proposed Niagara Road #12 Landfill Site for the Municipalities of Grimsby, Lincoln, Pelham and West Lincoln, which report was prepared by the Institute of Environmental Research (1985) Inc. dated September, 1991 and a Public Consultation Report with respect to the proposed Niagara Road #12 Landfill Site, prepared by the Town of Grimsby, dated September, 1991;

AND WHEREAS the Municipalities of Grimsby, Lincoln, Pelham and West Lincoln, have, by agreement dated the 23rd. day of June, 1988, agreed to establish a Board of Management which shall be responsible to advise the Councils of the four Municipalities with respect to waste disposal;

AND WHEREAS the four Municipalities authorized the Board of Management to act as their agent and to bring all necessary applications and to take all actions necessary to acquire a site for the construction and operation of the waste disposal site, subject to the ratification of the Councils of four Municipalities;
