The objective of the project is to collect and enter all data required to be entered on the Computer Assisted Dispatch (C.A.D. System) in order that the Town of Pelham can have C.A.D. system service by January 1993.

Project employees will collect, sort, document and visually verify information regarding each address in the Town of Pelham and provide this to the St. Catharines C.A.D. System for input. Information to be collected will cover: addresses, cross streets, hydrants, water sources, building construction, occupancy, hazardous materials, high life hazard and other red flag data.

Personnel guidelines must be established for all employees on Canadian Jobs Strategy projects. Project employees will have working conditions and benefits, where applicable as near as possible to those of the sponsor's regular employees, and these conditions and benefits, will meet, as a minimum, Ontario Ministry of Labour standards.

This Schedule A replaces the Schedule A that was signed by the employer on July 20, 1992; which shall no longer be in force.
