

THE CORPORATION OF THE
TOWN OF PELHAM
BY-LAW #2275 (2001)

Being a by-law to provide for an increase in the expenditure of costs for the repair of the Ridgeville Municipal Drain constructed under By-law #1078 (1986) and repaired under By-law #2193 (2000) of the Corporation of the Town of Pelham.

WHEREAS By-law #2193 (2000) estimated the cost of repairs to be \$50,000.00 it was found that it could not be completed for that amount;

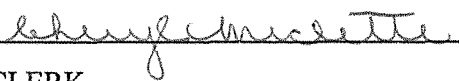

AND WHEREAS the actual repair cost for this work was \$54,419.41 or 8.838% greater than the original estimated amount;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF PELHAM HEREBY ENACTS AS FOLLOWS:

- (1) THAT each assessment on lands or roads affected by the repair of the Ridgeville Municipal Drain as determined in the Engineers Report and by-laws for this work be increased by 8.838% and collected in the same way and manner as to provide for the expenditure of said drain.

READ A FIRST, SECOND AND THIRD TIME
AND FINALLY PASSED BY COUNCIL THIS
2ND. DAY OF APRIL, 2001 A.D.
