

EXPLANATION OF THE PURPOSE AND EFFECT OF BY-LAW NO. 2901 (2007)

This By-law is enacted to remove the "(H)" symbol from a parcel of land, which is intended to be developed for five (5) lots within the Pheasant Run Subdivision.

The "(H)" symbol was placed on the lands until the applicant had satisfied the Town that the temporary stormwater management facility was no longer required and the ownership of the lands was returned to the developer.

The Town has determined that the temporary stormwater management facility is no longer required, has declared the lands surplus and has returned ownership to the developer.
