

**THE CORPORATION OF THE
TOWN OF PELHAM**

BYLAW NO. 2951 (2008)

Being a bylaw for prohibiting and regulating the sale of fireworks and the setting off of fireworks in the Town of Pelham and to repeal Bylaw No. 913 (1984).

WHEREAS Subsection 121.(a) of the Municipal Act, 2001, S.O. 2001, Chapter 25, as amended provides that a local municipality may prohibit and regulate the sale of fireworks and the setting off of fireworks;

AND WHEREAS Subsection 121.(b) of the Municipal Act, 2001, S.O. 2001, Chapter 25, as amended provides that a Bylaw passed under Subsection 121 (a) may prohibit the activities described in that Subsection unless a Permit is obtained from the municipality for those activities and may impose conditions for obtaining, continuing to hold and renewing the Permit, including requiring the submission of plans;

AND WHEREAS Section 128 of the Municipal Act, 2001, S.O. 2001, Chapter 25, as amended provides that a local municipality may prohibit and regulate with respect to public nuisances, including matters that, in the opinion of Council, are or could become public nuisances; and the opinion of Council with respect to public nuisances, if arrived at in good faith, is not subject to review by any court;

AND WHEREAS Section 129 of the Municipal Act, 2001, S.O. 2001, Chapter 25, as amended provides that a municipality may prohibit and regulate with respect to noise;

AND WHEREAS Section 11 (2) of the Municipal Act, 2001, S.O. 2001, Chapter 25, as amended provides that a lower tier municipality may pass Bylaws respecting the health, safety and well-being of persons.

AND WHEREAS the Council of the Corporation of the Town of Pelham deems it advisable and in the public interest to pass a by-law pursuant to the foregoing provisions;

NOW THEREFORE the Council of the Corporation of the Town of Pelham **ENACTS AS FOLLOWS:**

SECTION 1 SHORT TITLE

- 1.1 This Bylaw may be cited as "The Fireworks Bylaw"

SECTION 2 SCOPE

- 2.1 The provisions of this Bylaw shall be applicable on all lands and properties within the limits of the Corporation of the Town of Pelham.
- 2.2 This Bylaw shall be considered separate from the Explosives Act and Explosives Regulations and passage of this Bylaw does not mean the Town is responsible for any aspect of enforcement of the Explosives Act or Explosives Regulations, which is the sole responsibility of the Federal Government of Canada.

SECTION 3 DEFINITIONS

3.1 **In this Bylaw**

- 3.1.1 Definitions in the Building Code Act and the Building Code shall be used with respect to matters pertaining to buildings and which are undefined in this Bylaw.

- 3.1.2 Definitions in the Explosives Act and the Explosives Regulations shall be used with respect to matters pertaining to fireworks which are undefined in this Bylaw.
- 3.1.3 "Applicant" means the applicant for a Permit required by this Bylaw.
- 3.1.4 "Council" means the Council of the Corporation of the Town of Pelham.
- 3.1.5 "Container" means a container described in the Explosives Regulations as a box or other suitable receptacle that may be placed inside a building; and
- is kept in a part of the premises away from flammable materials;
 - has solid and impenetrable top, bottom and sides;
 - is provided with a closely-fitting lid and kept securely closed and locked except when the container is required to be open for the receipt or issue of fireworks, or for other necessary purpose;
 - not used for any other purpose other than the storage of fireworks;
 - the interior of the container is kept scrupulously clean;
 - the container shall have the word "FIREWORKS" conspicuously displayed thereon on a contrasting background.
- 3.1.6 "Display Fireworks Manual" means the latest edition manual produced by The Explosive Regulatory Division of the Department of Natural Resources Canada and published under Section 7 of the Explosives Act.
- 3.1.7 "Explosives Act" means the Explosives Act, revised Statutes of Canada 1985, Chapter E-17.
- 3.1.8 "Explosives Regulations" means regulations made under the Explosives Act.
- 3.1.9 "Fire Chief" means the Fire Chief appointed by the Town for purposes described in the Fire Protection and Prevention Act or his/her designate.
- 3.1.10 "Firecracker" means a high hazard device that explodes instantaneously when ignited and does not make any subsequent display or visible effect after the explosion and includes those devices commonly known as Chinese firecrackers, but does not include paper caps for toy guns.
- 3.1.11 "Fireworks" means Class 7 Division 2 Subdivisions 1 to 5 inclusive fireworks as defined in the Explosives Regulations.
- 3.1.12 "Fireworks Supervisor" means a person certified by the Minister to conduct a Display Fireworks show as a Level 1 or Level 2 Fireworks Supervisor.
- 3.1.13 "High Hazard Fireworks" means fireworks determined under the Explosives Regulations to present a special hazard to persons, including Class 7 Division 2 Subdivisions 2 and 5 fireworks.
- 3.1.14 "License or Certificate" means written approval from the Federal Minister responsible for enforcement of the Explosives Act.
- 3.1.15 "Low Hazard Fireworks" means fireworks determined under the Explosives Regulations to be relatively innocuous themselves and are not liable to explode violently or all at once, and including Class 7 Division 2 Subdivisions 1, 3 and 4 fireworks.
- 3.1.16 "Minister" means the Minister of Natural Resources Canada or other Federal Minister and persons assigned the responsibility for enforcement of the Explosives Act and Explosives Regulations.
- 3.1.17 "Officer" means a person commissioned or authorized to fill a public situation or to perform any public duty; appointed for the purpose of enforcing Bylaws of the municipality, and includes any municipal law enforcement officer appointed by the Town of Pelham, any fire department officer and any police

constable who is a member of the Niagara Regional Police Service or the Ontario Provincial Police Service.

- 3.1.18 "Owner" means the building or property owner or other person in control of the building or property from which the subject fireworks are used, sold or set off or proposed to be used, sold or set off.
- 3.1.19 "Operator" includes the owner, manager or person in charge of the fireworks and includes a Fireworks Supervisor.
- 3.1.20 "Permit" means written permission or written authorization from the Fire Chief to set off fireworks in accordance with this Bylaw and the Display Fireworks Manual.
- 3.1.21 "Residential Lands or District" means property actually used for residential purposes.
- 3.1.22 "Street" means a highway, road, or other public right-of-way as defined by "The Highway Traffic Act" and "The Municipal Act, 2001" but does not include a private land or unopened road allowance.
- 3.1.23 "Town" means The Corporation of the Town of Pelham and includes all land and properties within the limits of the Town of Pelham.
- 3.1.24 "Town Property" means any property owned by the Town including parkland, buildings and lands, vacant land, pathways, streets, opened and unopened road allowances.

SECTION 4 FIREWORKS CLASSIFICATION

- 4.1 Fireworks regulated by this Bylaw include Class 7 Division 2 Fireworks described in the Explosives Regulations as manufactured fireworks.
- 4.2 Fireworks not regulated by this Bylaw include Class 7 Division 1 Fireworks described in the Explosives Regulations as fireworks composition which are regulated by the Explosives Act.
- 4.3 **Low Hazard Fireworks**
- 4.3.1 "Consumer Fireworks" are Low Hazard outdoor recreational fireworks described as Class 7 Division 2 Subdivision 1 in the Explosives Regulations including but not limited to the following:
- showers;
 - fountains;
 - golden rain;
 - lawn lights;
 - pin wheels;
 - Roman candles;
 - Volcanoes;
 - Sparklers;
 - Christmas crackers;
 - caps for toy guns.
- 4.3.2 "Model Rockets" are Low Hazard outdoor fireworks described as Class 7 Division 2 Subdivision 3 in the Explosive Regulations and include model rocket engines (toy propellant devices) containing a propellant the total impulse of which does not exceed 80 Newton-seconds (17.92 pound-seconds) and does not exceed a net propellant weight of 125 grams (approximately four ounces).
- 4.3.3 "Low Hazard Practical Use Fireworks" are Low Hazard outdoor fireworks described as Class 7 Division 2 Subdivision 4 in the Explosives Regulations generally having a practical use including small highway flares, fuses and other small distress signals.

4.4 **High Hazard Fireworks**

4.4.1 "Display Fireworks" are High Hazard outdoor recreational fireworks described as Class 7 Division 2 Subdivision 2 in the Explosives Regulations and include both public and private display fireworks including, but not limited to the following:

- rockets;
- serpents;
- shells;
- bombshells;
- tourbillions;
- maroons;
- large wheels;
- bouquets;
- barrages;
- bombardos;
- waterfalls;
- fountains;
- batteries;
- illumination;
- set pieces;
- pigeons;
- firecrackers;
- mines;

and further classified as follows with respect to the height of the display:

- High Level for heights of 50 metres or more above grade;
- Low Level for heights of 15 metres to 50 metres above grade; or
- Ground Level for heights of less than 15 metres above grade.

4.4.2 "High Hazard Practical Use Fireworks" are High Hazard fireworks described as Class 7 Division 2 Subdivision 5 in the Explosives Regulations generally having a practical use, such as large distress signals, sound, pyrotechnic and smoke signals, railway track signals, distress and line-throwing rockets, salutes, theatrical effects and wildlife control devices.

SECTION 5 GENERAL PROVISIONS

5.1 **General Regulations Applicable**

5.1.1 Every owner, operator and Fireworks Supervisor within the Town required to hold a license or certificate pursuant to the Explosives Act or Explosives Regulations shall forthwith produce a copy of such license or certificate to the Fire Chief or his or her designate.

5.1.2 No person shall use, sell, set off, store or cause to be used, sold or set off or stored fireworks in the Town except in accordance with the provisions of this Bylaw.

5.1.3 Except as permitted in Section 6.3, no person shall set off, or cause to be set off, or hold in his/her possession fireworks unless a Permit has been issued by the Fire Chief.

5.1.4 Every owner, operator and Fireworks Supervisor shall ensure the provisions of this Bylaw are complied with.

5.1.5 A licensed Fireworks Supervisor shall notify the Fire Chief of his or her intention to do business or perform any action within the Town which involves fireworks, prior to undertaking the business or action.

5.2 **Prohibitions**

5.2.1 The following fireworks are hereby prohibited by this Bylaw and unauthorized by the Explosives Act:

(a) Violent effects:

- M-80 salutes;
- silver salutes;
- cherry bombs;
- firecrackers;
- flash crackers.

(b) Joke effects:

- cigarette loads or plugs;
- exploding golf balls;
- sparkling or exploding matches.

(c) Miscellaneous effects:

- table rockets and bottle rockets;
- champagne party poppers;
- throw-down torpedoes, snap caps, cracker balls.

(d) Any fireworks not included in Part 3 of the List of Authorized Explosives published by the Explosive Regulatory Division.

5.2.2 Pyrotechnic Special Effects Fireworks are deemed a public nuisance and hereby prohibited by this Bylaw.

5.2.3 No person shall use, sell, set off or store or cause to be used, sold, set off, or stored prohibited fireworks within the Town.

5.2.4 Fireworks obstructing or interfering with the intended operation of any public utility, traffic control, fire route or building health/safety system, are hereby prohibited.

SECTION 6 PERMITS, INSPECTIONS AND FEES

6.1 **General Provisions**

6.1.1 If a License or Certificate or other form of approval is required from the Federal Minister responsible for enforcement of the Explosives Act, the Fire Chief will require proof of such License, Certificate or other approval be submitted in writing prior to the request for a permit being approved.

6.1.2 Any permit granted may be subject to such terms and conditions the Fire Chief deems necessary to ensure compliance with this Bylaw and the health and safety of the public.

6.1.3 Any and all permits may be revoked by the Fire Chief without notice where:

- (a) an owner, operator or Fireworks Supervisor fails to comply with the requirements of this Bylaw;
- (b) the permit was issued on false or mistaken information or was issued in error;
- (c) an owner, operator or Fireworks Supervisor fails to comply with a direction, instruction, or order of the Fire Chief given under Subsection 6.6.

6.1.4 The issuance of a permit under this Bylaw in no way constitutes absolute permission to use, sell, set off or store fireworks. It is the responsibility of the owner and operator to ensure all applicable federal laws are complied with in addition to the requirements of this Bylaw.

6.2 **Permit Requirements Storage and Selling of Fireworks**

- 6.2.1 No person shall store or sell or cause to be stored or sold fireworks without first having obtained a permit from the Fire Chief.
- 6.2.2 A written and signed request shall be submitted to the Fire Chief, at least 4 weeks in advance of commencement of the selling and/or storage proposed for fireworks, along with a description of the type and gross weight of the fireworks. The Fire Chief may require additional information where he/she deems necessary.
- 6.2.3 A permit issued for the sale and/or storage of fireworks shall state the name of the club, association, group or person to whom the Permit is issued; the name of the executive officer or other person responsible; the place and dates when the sales and/or storage are to take place; the manner in which unused fireworks are to be disposed of; and the manner and means of display and storage.

6.3 **Permit Requirements Display Fireworks**

- 6.3.1 No person shall use, set off or cause to be used or set off Display Fireworks without first having obtained a permit from the Fire Chief.
- 6.3.2 A written and signed request shall be submitted to the Fire Department, at least 4 weeks in advance of each event proposed for Display Fireworks, along with 2 copies of a site location plan drawn to scale as set forth in the Display Fireworks Manual. The Fire Chief may require additional information where he/she deems necessary.
- 6.3.3 A permit granted for Display Fireworks shall be conditional on the event being in compliance with the Display Fireworks Manual, latest addition, or any part of the Display Fireworks Manual specified, published by the Explosives Regulatory Division of the Department of Natural Resources Canada. For purposes of the Manual, the Fire Chief is the Authority having jurisdiction.
- 6.3.4 A permit issued for Display Fireworks shall state the name of the club, association, group or person to whom the Permit is issued; the name of the executive officer or other person responsible; the place and date upon which the display is to be held; the name and address of the Fireworks Supervisor under whose supervision the event is to be held; the manner in which unused fireworks are to be disposed of; and the manner and means of restraining unauthorized persons from attending within the danger zone or too close to the location where the display is to be held.

6.4 **Application Fees**

- 6.4.1 Any fees associated with an application for permit under the Bylaw shall be paid in conformance with the Bylaw to Establish a Tariff of Fees for the Fire Departments Inspections, Requests for information and any related services thereto, as amended from time to time.

6.5 **Permit Exemptions**

- 6.5.1 No permit shall be required to do the following provided their use complies with this Bylaw and the Explosives Act and Regulations thereunder:
- to set off or cause to be set off Consumer Fireworks or Model Rockets;
 - to set off or cause to be set off Low Hazard other than Consumer Fireworks or Model Rockets, or High Hazard Practical Use Fireworks provided their use is necessary and not for recreational or entertainment purposes.

6.5.2 A person may, if he/she takes reasonable precautions against accidents, keep in his/her possession on his/her premises, for private use and not for sale,

(a) a quantity of Division 2 of Class 7 fireworks, not exceeding 10 kilograms gross weight, that were sold to him in accordance with this by-law and the Explosives Regulations;

(b) any quantity of Christmas crackers and caps for toy guns.

6.6 **Inspections**

6.6.1 The Fireworks Supervisor shall notify the Fire Chief at least 24 hours prior to the following stages of Display Fireworks:

(a) commencement of preparation of the site for Display Fireworks;

(b) completion of preparation of the site for Display Fireworks;

(c) commencement of the Display Fireworks show.

6.6.2 The Fire Chief may inspect or designate to have inspected the display fireworks site, fireworks storage site or fireworks sales site, before, during and after the event as deemed necessary, and may issue directions, instructions, or orders to the Fireworks Supervisor, owner or operator or any other person.

6.6.3 Upon receipt of directions, instructions or orders from the Fire Chief, the Fireworks Supervisor, owner operator, or person shall comply with the directions, instructions or orders.

SECTION 7 SPECIFIC REGULATIONS

7.1 **Sale of Fireworks**

7.1.1 No person shall sell, offer for sale or purchase Consumer Fireworks except on the following days:

- Victoria Day;
- the ten days immediately preceding Victoria Day;
- Canada Day, and
- the ten days immediately preceding Canada Day.
- July 4th, and
- the ten days immediately preceding July 4th
- any other days authorised by resolution of Council.

7.1.2 No person shall sell, give or distribute fireworks to any person under the age of eighteen (18) years or who appears to be under the age of eighteen (18) years.

7.1.3 No person who is under the age of eighteen (18) years shall sell, give or distribute fireworks.

7.2 **Keeping, Display and Storage of Fireworks for Sale or for Setting Off**

7.2.1 No person shall keep or permit to be kept any explosive other than ammunition at the same location where fireworks are kept for sale.

7.2.2 No person shall display in store windows and in locations accessible to the public fireworks that are not mock samples and contain explosive composition.

7.2.3 Low Hazard Fireworks on display for sale shall be displayed:

- in lots that do not exceed 25 kilograms (55 pounds) each in gross weight;

- in a package, glass case or other suitable receptacle away from inflammable goods and not accessible to the public, and
- in a place where they are not exposed to the rays of the sun or excess heat.

- 7.2.4 No person shall store for sale, or future use, Low Hazard Fireworks in excess of 100 kilograms (220 pounds) gross weight if stored in a container and 1000 kilograms (2200 pounds) gross weight if stored in a separate warehouse as described in the Explosives Regulations.
- 7.2.5 High Hazard Fireworks being stored for sale or future use, but not on display, shall not exceed 25 kilograms (55 pounds) gross weight if stored in a container or 100 kilograms (220 pounds) gross weight if stored in a separate store or warehouse as described in the Explosives Regulations.
- 7.2.6 Low and High Hazard Fireworks being stored for sale or future use, may exceed the weight and receptacle limitations in Subsection 7.2.4 and 7.2.5 if kept in a fireworks factory or magazine licensed and authorized according to the Explosives Regulations and with a permit from the Fire Chief.
- 7.2.7 No person shall store for sale, or future use, Consumer Fireworks except during the 30 day period prior to any of the lawful date(s) thereof and not longer than 30 days after the lawful date(s) thereof, unless stored by a licensed Fireworks Supervisor, permitted in the Explosives Regulations and with a permit from the Fire Chief.
- 7.2.8 Display Fireworks are prohibited from being stored for sale or future use unless stored by a licensed Fireworks Supervisor, permitted in the Explosives Regulations and with a permit from the Fire Chief.
- 7.2.9 No person shall have in his or her possession within six (6) metres (20 feet) of any fireworks kept or displayed for sale any flame or heat source which may ignite fireworks, such as lit smoking materials.
- 7.2.10 Any fireworks that show signs of damage, are suspected to be damaged or have gotten wet shall not be set off or sold.

7.3 **Setting Off or Discharge of Low Hazard Fireworks**

- 7.3.1 No person shall set off or discharge or permit the setting off or discharge of Consumer Fireworks except on the following days:
- Victoria Day;
 - the three days immediately preceding Victoria Day;
 - Canada Day; and
 - the three days immediately preceding Canada Day.
 - July 4th, and
 - the three days immediately preceding July 4th.
 - any other days authorised by resolution of Council.
- 7.3.2 Subject to compliance with the provisions of this Bylaw, a person eighteen (18) years of age or over may hold a display of Consumer Fireworks on any land belonging to him or her or on any other privately owned land where the owner thereof has given written permission for such a discharge of Consumer Fireworks.
- 7.3.3 No person shall use, discharge or set off, or permit to be used, discharged or set off Low Hazard Fireworks in such a place or in such a manner as might create a danger to the public.
- 7.3.4 No person shall set off any fireworks in the Town within fifty (50) meters of:
- (a) any woodlands;
 - (b) any place where explosives, gasoline, or other highly flammable substances are manufactured, sold or stored;
 - (c) any hospital, nursing home, or home for the aged;

- (d) any zoo, stables, or places where animals are kept;
or
- (e) any church, childcare facility or public, separate, secondary or other school unless the consent of the owner of such church, childcare facility or school or an agent or representative of such owner is obtained.

- 7.3.5 Such that no debris shall land on either public property or property owned by other than the person responsible for the display.
- 7.3.6 No person shall use, discharge or set off, or permit to be used, discharged or set off Low Hazard Fireworks within ten (10) meters of, in or into any building, tent, trailer, canvas shelter or motor home unless authorized in writing by the Fire Chief and permitted by the Explosives Regulations.
- 7.3.7 No person shall use, discharge or set off, or permit to be used, discharged or set off Low Hazard Fireworks in an area containing dead undergrowth, dry grass, highly flammable substances or any other thing susceptible to combustion.
- 7.3.8 No person shall use, discharge or set off, or permit to be used, discharged or set off Low Hazard Fireworks contrary to the manufacturer's instructions on the packaging.
- 7.3.9 No person under the age of eighteen (18) years or who appears to be under the age of eighteen (18) years and does not produce evidence that he or she is eighteen (18) years of age or older shall use, handle, discharge, set off or store Low Hazard Fireworks, unless under the direct supervision of a person eighteen (18) years of age or older, who has produced evidence that he or she is eighteen (18) years of age or older.
- 7.3.10 No person being the parent or guardian of a child under the age of eighteen (18) years or who appears to be under the age of eighteen (18) years of age shall allow the child to use, handle, discharge, set off or store Low Hazard Fireworks, unless such parent or guardian is of the age of eighteen (18) years or older, who has produced evidence that he or she is eighteen (18) years of age or older, is in direct supervision and control of the child.
- 7.3.11 Any leftover or unused fireworks and any debris resulting from the setting off of fireworks shall be collected immediately and stored properly.

7.4 **Setting Off or Discharge of High Hazard Fireworks**

- 7.4.1 No person, owner, operator or Fireworks Supervisor shall set off or discharge, or permit to be set off or discharged Display Fireworks unless a permit to do so has been issued by the Fire Chief.
- 7.4.2 No person, owner, operator or Fireworks Supervisor shall set off or discharge, or permit to be set off or discharged Display Fireworks unless the Fire Chief has completed inspections required by Subsection 6.6.2. and until all directions, instructions and orders arising from such inspections have been complied with.
- 7.4.3 Every Display Fireworks event shall be undertaken, planned, conducted and executed under the direction of a Fireworks Supervisor, who shall be responsible to ensure all requirements of the Explosives Act and this Bylaw have been met prior to setting off any fireworks.
- 7.4.4 Every Display Fireworks event shall be undertaken, planned, conducted and executed in compliance with the Display Fireworks Manual, latest edition, or any part of the Manual specified. For purposes of the Manual, the Fire Chief is the authority having jurisdiction.
- 7.4.5 No person, owner, operator or Fireworks Supervisor shall set off or discharge or permit to be set off or discharged Display Fireworks where the firing point

is less than the fallout and separation distance from the public, structures, vehicles and overhead objects specified in the Display Fireworks Manual or where the surface wind speed exceeds 45 kilometres per hour (28 miles per hour).

- 7.4.6 A danger zone must be established around the firing site in conformance with the clearances identified in Display Fireworks Manual for High Level Display Fireworks. A means of identifying and restricting access to the danger zone such as security personnel, barricades or fences must be provided. No person shall enter or remain in the danger zone unless authorized.
- 7.4.7 No person shall possess matches, cigarettes, spark producing devices, alcohol or drugs or be under the influence of alcohol, narcotics or medication within the danger zone.
- 7.4.8 A trial shot of at least one (1) large shell shall be fired in the presence of the Fire Chief, prior to commencement of a Display Fireworks show to check trajectory, wind effect and proper location of the fallout zone.
- 7.4.9 No person, owner, operator or Fireworks Supervisor shall set off or discharge or permit to be set off or discharged High Level Display Fireworks unless liability insurance has been obtained by the person, owner or operator to the satisfaction of the Town. The insurance policy must be in the amount of \$5,000,000.00 or greater and must list the Town as an additional insured. A certified copy of the policy must be submitted to the Town when submitting the application. Any notice of cancellation of insurance shall be provided to the Town 30 days prior to the event.
- 7.4.10 The Fireworks Supervisor shall remove all unused fireworks and all debris resulting from Display Fireworks from the property on which the event was held and from any adjacent property affected no later than 10:00 a.m. on the day following the event.
- 7.4.11 For Low Level Display Fireworks only, a danger zone of radius 100 metres and liability insurance of \$2,000,000.00 will apply. The insurance policy shall list the Town as an additional insured. A certified copy of the policy must be submitted to the Town when submitting the application. Any notice of cancellation of insurance shall be provided to the Town 30 days prior to the event.
- 7.4.12 For Ground Level Display Fireworks only, a danger zone of radius 35 metres and liability insurance of \$2,000,000.00 will apply. The insurance policy list the Town as an additional insured. A certified copy of the policy must be submitted to the Town when submitting the application. Any notice of cancellation of insurance shall be provided to the Town 30 days prior to the event.
- 7.4.13 No person, owner, operator or Fireworks Supervisor shall set off or discharge, or permit to be set off or discharged Display Fireworks unless the fire and first aid equipment specified in the Display Fireworks Manual is available at the event site, including a fire blanket, eye wash, fire extinguishers and personal protection for all crew members.
- 7.5 **Exemptions for Caps and Model Rockets**
- 7.5.1 Subsections 7.1.3, 7.1.5, 7.2.7, 7.3.1, 7.3.5 and 7.3.6 do not apply to caps for toy guns.
- 7.5.2 Subsections 7.1.3, 7.1.5, 7.2.7, 7.3.1, 7.3.5 and 7.3.6 do not apply to Model Rockets, provided the requirements of Explosives Regulations are complied with.
- 7.5.3 Subsections 7.1.3, 7.1.5, 7.2.7, 7.3.1, 7.3.5 and 7.3.6 do not apply to Christmas crackers, provided the requirements of Explosives Regulations are complied with.

SECTION 8 USE OF TOWN PROPERTY

- 8.1 No person shall use, sell, set off, store or cause to be used, sold, set off or store fireworks in or on or into any highway, street, lane, road allowance (opened or closed), park or other Town property unless authorized in writing by the Fire Chief.

SECTION 9 ADMINISTRATION, ENFORCEMENT AND RIGHT OF ACCESS

- 9.1 This Bylaw shall be administered and enforced by the Chief, an Officer, or any other person appointed or otherwise delegated the authority of administration and enforcement.
- 9.2 The Officer may enter on land at any reasonable time for the purposes of carrying out an inspection to determine if any section of this Bylaw is complied with.
- 9.3 Notwithstanding Section 9.2, the Officer shall not enter or remain in any room or place actually used as a dwelling unless the provisions of Section 437 of the Municipal Act, 2001 are complied with.

SECTION 10 PENALTIES

- 10.1. Any person who contravenes any provision of this Bylaw is guilty of an offence and upon conviction is liable to the penalty specified by the Provincial Offences Act. R.S.O., Chapter P33, as amended.

SECTION 11 VALIDITY

- 11.1 Should any section, clause or provision of this Bylaw be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the Bylaw shall not be affected.
- 11.2 Nothing in the Explosives Act relieves any person of the obligation to comply with this Bylaw as stated in Section 29 of the Explosives Act.

SECTION 12 FORMER BYLAWS REPEALED

- 12.1 Bylaw No. 913 (1984) of the Corporation of the Town of Pelham enacted on the second day of April, 1984 is hereby repealed.

SECTION 13 EFFECTIVE DATE

- 13.1 This bylaw shall come into force and effect upon third and final reading.

READ A FIRST, SECOND AND THIRD TIME
AND FINALLY PASSED BY COUNCIL THIS
21st DAY OF APRIL, 2008 A.D.

D. Augustyn, MAYOR

C. Miclette, CLERK
