WHEREAS, by the Niagara Regional Court Intermunicipal Agreement dated April 26, 2000 (the "Intermunicipal Agreement"), all parties agreed, among other thing things, to appoint the Region as Agent to undertake the court administration, support and prosecution program for the operation of the Provincial Offences Court on behalf of all municipalities;

AND WHEREAS effective November 22, 2005, the Parties amended the Intermunicipal Agreement to update Schedule A entitled "Reporting Relationships";

AND WHEREAS the Region wishes to proceed with the implementation of the Vision Zero Program, which among other things would include enforcement of the *Highway Traffic Act* through Automated Speed Enforcement and Red Light Camera enforcement for purposes of enhancing traffic safety for the benefit of all visitors to and residents of the region of Niagara;

AND WHEREAS in order for the Region's implementation of the Vision Zero Program to be financially sustainable, the initial capital and ongoing operating costs to establish and operate the Vision Zero Program would need to be fully supported by the fines received through charges issued under the Vision Zero Program that will be processed through the Court;

AND WHEREAS the Council of the Region have approved the Vision Zero Program subject to an amendment to the Intermunicipal Agreement regarding the apportionment of costs and revenue to ensure that the Vision Zero Program is financially sustainable in the long term;

NOW THEREFORE in consideration of the promises, mutual covenants and conditions contained herein, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. Definitions

In this Amending Agreement:

"Effective Date" means the date upon which the first Certificate of Offence issued pursuant to the *Provincial Offences Act* for a charge under the Vision Zero Program is filed with the Court;

"Vision Zero Program" means the Vision Zero Road Safety Program to be administered by the Region that includes without limitation: enforcement of the *Highway Traffic Act* through Automated Speed Enforcement (ASE), Red Light Camera (RLC) enforcement and such other automated technology-based traffic enforcement tools that may be approved for use by the Province from time to time; infrastructure upgrades such as street lighting, signage and intersection improvements; and, communication and educational programs; all for purposes of enhancing traffic safety for all road users;

"Vision Zero Program Court Costs" means the Court costs and expenses related to administration, prosecution, adjudication of Vision Zero Program charges, including all staffing costs, fees and collection costs incurred by the Agent in processing charges issued under the Vision Zero Program; and,

"Vision Zero Program Implementation and Operating Costs" means the costs incurred by the Region related to initial establishment of the Vision Zero Program approved by the Council of the Region as part of the 2020 Regional budget approval process, being comprised of (a) the capital costs of the installation of 10 RLC units and 4 ASE units; and, (b) the ongoing operating costs and expenses to administer the Vision Zero Program, subject to annual adjustments as may required pursuant to applicable agreements, including but not limited to:

- i. all staffing and training;
- ii. consulting services;
- iii. equipment fees, operation and maintenance;
- iv. fees and charges imposed pursuant to agreements required to be entered into by the Region to implement the Vision Zero Program, including by the Ministry of Transportation and the Joint Processing Centre;
- v. communication and public education; and
- vi. related infrastructure maintenance such as signage, pavement markings and intersection improvements.

2. The parties acknowledge that implementation of the Vision Zero Program by the Region requires significant upfront investment and ongoing operating costs and as such agree that the Region shall be permitted to recover its Vision Zero Program Implementation and Operating Costs from the gross Vision Zero Program revenues, prior to distribution of the net Vision Zero Program revenues pursuant to sections 8.2 and 8.3 of the Intermunicipal Agreement.
3. The Region shall use its share of the net Vision Zero Program revenues exclusively for the operation and enhancement of the Vision Zero Program. The Municipalities shall use their share of the net Vision Zero Program revenues exclusively either: (a) for vision zero road safety projects and initiatives in their own municipality; or (b) to support the Region's operation and enhancement of the Vision Zero Program. Recognizing the Provincial reporting to be undertaken by the Region regarding the Vision Zero Program and revenue use; the Municipalities shall report to the Region in such form and with such frequency as necessary to achieve alignment with Provincial reporting requirements from time to time, and in any case at least annually, as to their use of their share of the net Vision Zero Program revenues.
4. Regional Staff shall report to the Council of the Region on an annual basis regarding: Vision Zero Program Implementation and Operating Costs; the use of the Region's share of the net Vision Zero Program revenues; and the technical performance of, and any proposed enhancements to, the Vision Zero Program.

5. The costs of the Program, as defined in the Intermunicipal Agreement, will be adjusted as a part of the annual budget process in accordance with section 7.1 of the Intermunicipal Agreement as necessary to address any change in Vision Zero Program Court Costs required to accommodate the volume of charges processed pursuant to the Vision Zero Program and shall be recovered by the Agent from gross revenues in accordance with section 8.1 of the Intermunicipal Agreement.
6. The Agent will track the Vision Zero Program Court Costs and revenues separately to the extent reasonably possible for inclusion in the annual budget and financial reporting submitted to the Board from time to time, and the report provided to the Council of the Region pursuant to section 4 of this Amending Agreement.
7. In the event that the gross Vision Zero Program revenues are less than the Vision Zero Program Court Costs at the end of any fiscal year, the Region will provide funding to cover the deficit from the Region's share of the net revenue distribution pursuant to section 8.2 of the Intermunicipal Agreement, so that the net revenues distributed to all Municipalities, with the exception of the Region, pursuant to section 8.3 of the Intermunicipal Agreement are not negatively impacted by the Vision Zero Program. In subsequent years, any net Vision Zero Program revenues will first be used to repay the Region for previous years' deficit, prior to distribution of the net Vision Zero Program revenues pursuant to sections 8.2 and 8.3 of the Intermunicipal Agreement.
8. The Region agrees to notify the parties in writing of the date that the first Certificate of Offence issued for a charge under the Vision Zero Program is filed with the Court for purposes of confirming the Effective Date of this Amending Agreement.
9. The term of this Amending Agreement will be three (3) years from the Effective Date. The parties agree that on or about two (2) years from the Effective Date they will engage in discussions to collectively review available data related to the Vision Zero Program compiled as of that date, including but not limited to Vision Zero Program Court Costs, charges, gross revenues, technical performance and trends for purposes of considering long-term projections and plans for the Vision Zero Program including possible sites for future capital investment in the Vision Zero Program and any potential future amendments that may be required to the Intermunicipal Agreement.
10. This Amending Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
11. The acceptance of this Amending Agreement may be communicated by facsimile or email transmission reproduction between the Parties, and such reproduction will be binding upon the Parties with the same effect as an executed original of the Amending Agreement.

12. Save and except as modified herein, the provisions of the Intermunicipal Agreement shall remain in full force and effect.
